APEG LILLY RESEARCH GRANT 2009

APEG Council is pleased to announce that Eli Lilly will fund an APEG Research Grant for commencement in 2010.

This grant is valued at A\$10,000, and can be used to support research in Australia and New Zealand into any aspect of paediatric endocrinology or diabetes.

Applications are invited from APEG members who are Australian or New Zealand citizens or permanent residents. Recipients of the grant for two consecutive years are ineligible for the grant for the subsequent year.

Applications are restricted to three A4 pages (plus references) and should provide the following information:

1. Project Title
2. Name, qualifications and contact details of the applicant
3. Curriculum vitae of the principal investigator
4. Name, qualifications and addresses of co-investigators
5. Specific Aims
6. Research Plan
7. Significance of the study
8. Details of other financial support (including other applications pending)
9. Budget

Please send applications via email, with the attached covering sheet completed to:

Dr Andrew Cotterill,
Honorary Secretary APEG
c\ - APEG Secretariat
PO Box 180
Morisset NSW 2264
Email: apeg@willorganise.com.au

Closing date for applications: 31 August 2009.
