## APEG SANOFI-AVENTIS RESEARCH GRANT 2008

APEG Council is pleased to announce that Sanofi Aventis will fund an APEG Research Grant for commencement in 2009.

This grant is valued at A\$10,000 and can be used to support research in Australia and New Zealand into any aspect of paediatric endocrinology or diabetes.

Applications are invited from APEG members who are Australian or New Zealand citizens or permanent residents. Recipients of the grant for two consecutive years are ineligible for the grant for the subsequent year.

Applications are restricted to three A4 pages (plus references) and should provide the following information:

1. Project Title
2. Name, qualifications and contact details of the applicant
3. Curriculum vitae of the principal investigator
4. Name, qualifications and addresses of co-investigators
5. Specific Aims
6. Research Plan
7. Significance of the study
8. Details of other financial support (including other applications pending)
9. Budget

Please send applications via email, with the attached application form attached to your submission.
